

A well-fitted leotard will look more flattering than anything! *Here's how to measure...*

- Bust** Measure the bust line at the fullest part of your chest. While you are being measured, your arms should be at your side and relaxed.
- Waist** Wrap the measuring tape around your torso, at the smallest part of your waist.
- Hips** Measure the hips line at the fullest part of your bottom.
- Girth** Place tape measure on center of right shoulder, run through crotch and back to right shoulder loosely. The girth is the most important measurement. When in doubt, let the girth measurement determine size!

CHILDREN LEOTARD SIZES (IN INCHES)

	BUST	WAIST	HIPS	GIRTH
B	19 - 20	18 - 19	19 - 20	35 - 37
