## SUMMER INTENSIVE 2020

Our goal at ARB during the summer is to provide an opportunity for students to focus on developing their technique and artistry. The intensity of training everyday allows students to gain flexibility, strength and develop proper “muscle memory”. Students often make significant progress during the summer session.

## Summer 2020

### Hourly Class Rates (a la carte method) for Daytime Intensive Classes:

In the past we have allowed students to drop in and pay for classes at an hourly rate, 'al a carte'. However, due to the new guidelines we need to follow, we will be implementing the following procedures for this summer:

- On Thursday evenings, we will “close” the following weeks classes for online registrations.
- We will post in the Parent Portal the number of spaces we have available the next week for drop-in classes.
- If anyone would like to sign up for a drop-in class, they will need to email us BEFORE NOON ON FRIDAY and let us know the days/times they wish to attend the following week.
- We will post the fees for those drop-in classes in your account and process payment via the Parent Portal on Friday afternoon.
- **There is no guarantee that there will be any Drop-In hours available each week.** Priority for our summer programs is for students attending the FULL week of intensive. All students on the Waitlist, and in the Online classes, will be given the chance to come in person before opening the slots for Drop In hours students.

0-10 hours per week	\$25.00 per hour
11-15 hours per week	\$21.00 per hour
16 or more hours per week	\$17.00 per hour
